## Professional quality products

Asfir's variety of products are the perfect solution for accessorizing the off road vehicle.

## Tubular Winch Bumper

Asfir's Tubular Winch Bumper was designed and developed by Asfir's R&D team to the highest standards. The tubular bumper is installed on the original bumper.

## Side Protectors

Protect the lower side of the vehicle and aid recovery with a jack. The side protectors are made of quality metal combined with aluminum side steps.

## Skid Plates

Quality skid plates for off road vehicles with one of the highest design, performance and finish standards in the world. Asfir offers various skid plates protecting the underbody parts of the vehicle such as front, gear, transfer and fuel tank. The skid plates are made of quality aluminum and are screwed to original holes in the vehicle. Service openings in the skid plates enable servicing the vehicle without dismantling the plates.

## Rear Towing Device

Asfir's towing device, mounts to the vehicle's chassis, under the original bumper.
